(d) The total FDI approved and actual FDI inflow during the last five years is as under:—

Year	FDI Approved	Actual FDI Inflow (Rs. in crores)
1992	3887.54	675.2
1993	8859.33	1786.7
1994	14187.19	2981.8
1995	32071.72	6370.2
1996	36146.81	8440.6

(e) The nation needs and has the capacity to absorb at least US$ 10.00 billion a year as Foreign Direct Investment. To achieve this, the foreign investment policy is constantly reviewed to make it more investors—friendly and dynamic with the objective of increasing FDI in the country particularly, in the core priority sectors including agro-based industries.

(f) The Government have entrusted Research Study to National Council of Applied Economic Research (NCAER) in March, 1997.

Industrial set up in tribal districts of Orissa

3877. SHRI RAJ NATH SINGH: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that there are several tribal districts in Orissa, without any industry, though they are full of mineral resources;

(b) whether it is a fact that Khanda Mal district in Orissa is neglected and no proper industrial survey has been conducted to determine the natural resources for the setting up of any industry;

(c) the number of "no industry district" identified in Orissa; and

(d) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF INDUSTRY (SHRI MURASOLI MARAN): (a) to (d) The efforts of the State Governments for industrial development are supported and supplemented by the Central Government. An exercise to identify backward districts/talukas/blocks for the purpose of fiscal concessions is on hand in the Ministry of Finance, Department of Revenue.

Generation of considerable amount of resources by CPUs

3878. SHRI VEDPRAKASH P. GOYAL: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that Central Public Sector Undertakings have been generating considerable amount of resources and have reduced the share of budgetary support from 44% to 39% in the past five years;

(b) the State-wise position in respect of State PSUs and causes identified for State PSUs shortfalls by 20% in the State Plan outlay in the Eighth Plan; and

(c) whether Government are contemplating to take any effective steps to curb this dangerous trend?

THE MINISTER OF INDUSTRY (SHRI MURASOLI MARAN): (a) During the last five years, the generation of internal resources by Public Sector Undertakings (PSUs) has been increasing. This cannot however, be directly related to the budgetary supports they draw from the Govt., as such assistance depends upon various factors both in Plan and non-plan sectors.

(b) and (c) The Central Government do not allocate State-wise budgetary support for State PSUs.
